## Licensee Manufacturer

We are pleased to appoint Mechatronix as our Licensed Manufacturer of Green Craftdoors fire-rated steel and timber doors. Mechatronix factory is audited, and staff is trained to produce steel and timber fire doors under our tested design, manufacturing manual, and quality control system.

Each fire door will be issued with a Green Craftdoors fire label with information of Manufacturer Name, Fire Rating, Type of Door & Model, and Date of Manufactured.

Green Craftdoors will issue a Certificate signed & stamped by our Technical Director Steven Lim, confirming supply quantities, sizes, and fire label number. Without this certificate, Green Craftdoors will hold no liabilities for the supply of fire-rated doorset.

Yours Faithfully,

Steven Lim
